(14) There are no rules as to the procedure in such cases. The point is that a Govt servant may not, without the express sanction of the Govt of his Dept, accept duties ~~outside his appointment~~ which may interfere with his official duties Vide Rules of the Rules Governing Public servants. In this case, without information as to the functions of the Advisory Board it is difficult to say whether serving on that Board will interfere with the other duties of Mr. Lakshminarasimha Rao + Srinivasa Murti. Probably not. The matter may perhaps be left to the discretion of the Govt of Bihar in the case of Mr Venkoba Rao whom the Govt know the Govt should not to allow him to have anything to do with this as he is the head of the District where the institution is situated
